RE: Sponsor a Wise County 4-H Member

To Whom It May Concern,

4-H is the largest youth development organization in the state of Texas. The 4-H organization has a vast variety of project areas for youth to choose from, including but certainly not limited to: livestock, food and nutrition, STEM, fashion and interior design, leadership, citizenship, community service, and so much more! Here in Wise County, we pride ourselves in fulfilling the 4-H motto, "To Make the Best Better"! Our Wise County 4-H members work hard year-round in their diverse project involvements to help better themselves as well as grow and foster life skills.

Wise County 4-H currently has 454 members enrolled in the program. 115 of those enrolled participated in 23 District 3 4-H contests in the 2022-2023 4-H year. Those 4-H members also had over 900 entries in the Wise County Youth Fair, exhibited over 200 animals at Texas major stock shows, and qualified 22 senior members for the Texas 4-H Roundup contest held in College Station in June. While our members have been busy across the state participating in their various contests and activities, they have also been hard at work here in Wise County. Members organize, lead, and serve in numerous community service activities across the county, work on improving skills in their project areas, take on leadership positions, and continue to work in the county to better themselves as community members.

We are asking for our community's support to help offset some of the costs associated with the 4-H program. Members have the opportunity to attend camps, contests, workshops, and various events across the state. Fees associated with these learning opportunities vary from \$5 to upwards of \$300. Our goal is to send a member to any and every opportunity that we can without them having to worry about a financial burden. Your support is key to making this happen for the members of the Wise County 4-H Program.

If you wish to contribute, please fill out the attached sponsorship form. W 9 forms are available for you or your business upon request. If you have any questions or concerns, please feel free to contact me at the information provided below.

Thank you for your continuous support of the Wise County 4-H program and helping better our youth!

Sincerely,

A handwritten signature in black ink that reads 'Karly West'.
